

## MIDTOWN GRILL

The best steaks, chops and seafood in town that's the ambitious culinary slogan of the new Midtown Grill. It features an open kitchen so you can watch the steaks sizzle as you sip an aperitif.

The menu offers a wide choice of grilled meat, fish and seafood and Charolais beef is chef Arnaud Pintor's speciality. Classic American starters include Caesar Salad and Downtown Dublin Bay prawn martini while the bar menu features traditional cocktails such as dry martini as well as original creations like the Oyster shot.

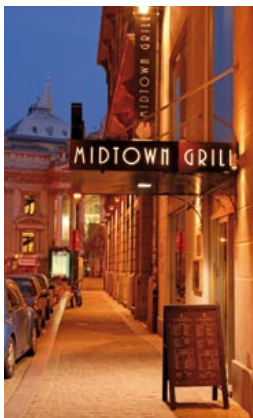

A modern contemporary style characterises the décor of the spacious steakhouse and the Midtown Grill team promises a personalised and pleasant service. A children's menu is also available. The restaurant has a private room for events and any other occasion you would like to celebrate.
